Sir:

This is a statement accompanying a request to correct inventorship in the above-captioned U.S. patent ("the Patent"). The undersigned is an authorized representative of ibidi GmbH, a corporation, which is the assignee of the entire right, title, and interest in the Patent, by virtue of an assignment from the inventors of the Patent. The assignment was recorded in the United States Patent and Trademark Office at Reel 020416, Frame 0992. As required by 37 CFR 3.73(b)(1)(i), the documentary evidence of the chain of title from the original owner to the assignee was submitted for recordation pursuant to 37 CFR 3.11. Through error Michael Frank, Uwe Trebbe, Friedhelm Siepmann, Andreas Thünchen, and Stefan Stumpe were not named on the issued Patent. I understand that these inventors will be added to the Patent, and I agree to those additions on behalf of the assignee, ibidi GmbH.

Respectfully submitted,
